

*~ Please join us on October 14, 2025 ~
at the Union League Club of Chicago
where our Guest Speaker will be
Nicholas Randall / President &
Chief Executive Officer , FreightCar America*

Nicholas J. Randall is an accomplished business leader with deep and global experience in the heavy durable industrial and consumer industries. He has over 30 years of global experience leading engineering and manufacturing operations at world-class companies. A visionary leader, he is known as a change agent and employee champion.

Mr. Randall originally joined FreightCar America as Chief Operations Officer, focusing on operations, customer satisfaction, and strategic initiatives. His passion is in differentiating the Company's position as the preferred, best-in-class manufacturer in the industry.

Before joining FreightCar America, Nicholas was Vice President and General Manager of a division of aerospace company Precision Castparts Corporation (PCC), part of Berkshire Hathaway Inc., and previously held senior positions at Alcoa and Jaquar & Land Rover vehicles.

Mr. Randall holds a Bachelor of Engineering in Manufacturing Systems Engineering from Liverpool John Moores University, U.K.
